Welcome to Munson Lakes!

As our customer, you are our #1 priority. Our team is dedicated to delivering you the best quality products and convenient services for your animal nutrition needs. We manufacture our own superior feed for bulk delivery and source regional products for resale at our Country Store. We support the local economy and provide you easy access to the brands you love and trust.

Convenience and quality are what set us apart from our competitors. You can rest assured that products you purchase from Munson Lakes are products that will perform well. If we do not have something you are looking for, please ask us if we can place a custom order. On behalf of my staff, welcome to the family! We can't wait to serve you soon!

Scott Erdal, CEO

Big Enough to Serve You, Small Enough to Know You.

About us

Munson Lakes Nutrition has been producing quality animal feed for over 80 years and utilizes the knowledge of its trained nutritionists to deliver the right feed to optimize your animals' performance. Munson Lakes manufactures feed for all livestock including poultry, swine, equine, beef and dairy cattle.

Munson Lakes employs 55 hard-working individuals and is owned by Land O'Lakes, Centra Sota, Federated Co-ops and Glencoe Co-op. It is governed by a board of directors, who has extensive knowledge in the Agriculture Industry.

Munson Lakes is HACCP Certified, possesses the most advanced FDA drug license and staffs experienced, courteous delivery drivers.
