# A Note From Our Exiting General Manager

A Note from Brian Yager

Employees and Valued Customers,

As I prepare to retire, I want to take a moment to express my heartfelt gratitude to each of you. Working alongside such dedicated employees and serving our incredible customers has been one of the most rewarding experiences of my life.

To the employees: thank you for your support, collaboration and friendship over the years. Your passion and commitment have made every challenge worthwhile and the success of Munson Lakes Nutrition even sweeter.

To our customers: it has been an honor to serve you. Your trust and loyalty have been the foundation of our success and I leave knowing you are in excellent hands.

As I step into retirement, I look forward to discovering the answers to life's big questions – like , “What day is it?”, “Is it too early for a nap?” and “Do the fish really bite in the middle of the day?”

Though I'm stepping away, I carry with me countless memories and deep appreciation for the journey we've shared. We've struggled and sometimes had failures but, we always failed forward and continued to be successful.

Thanks for the memories and see you down the road.  
Brian Yager, retiring GM
