Welcome Summer

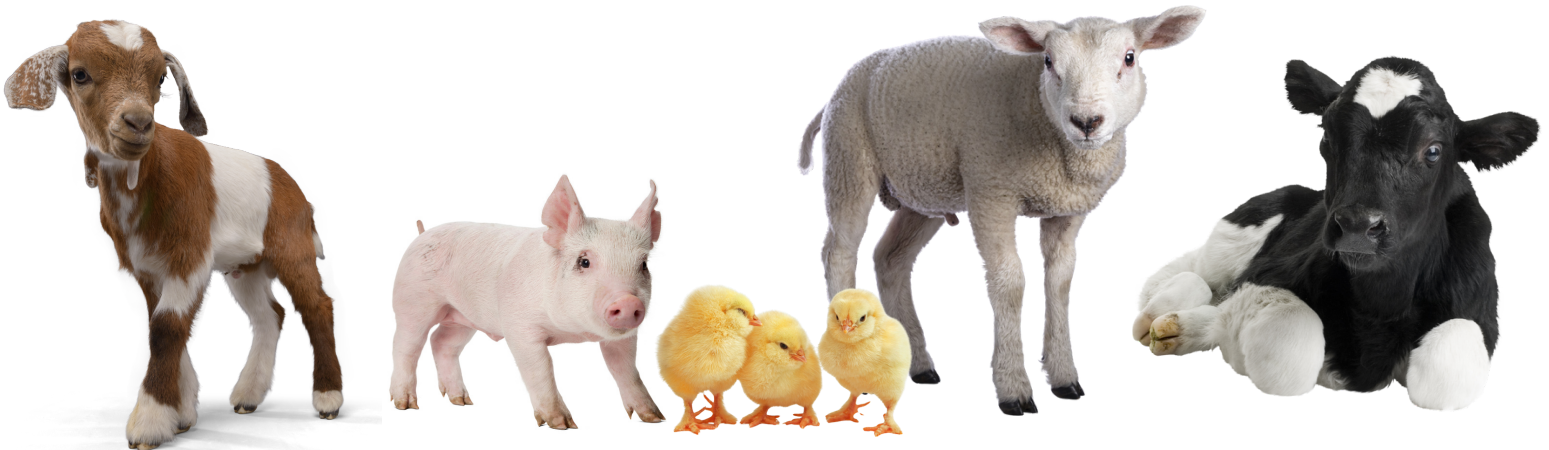

A Note from Sarah Swart

Employees and Valued Customers,

Summer at Munson Lakes

Summer has arrived, and the farm is alive with vibrant energy! The fields are lush and verdant, the animals are basking in the warm sunlight, and the delightful aroma of freshly cut hay wafts across the pastures. Baby goats are joyfully leaping in their pen, the calves are rapidly growing, and the chicks are curiously exploring every inch of the farm.

This is our favorite season here at Munson Lakes. The garden is bursting with fresh vegetables, the sweet corn stretches taller each day, and we are relishing every long summer evening. The highlight? Kids have the opportunity to showcase all their hard work at the County Fair! We take great pride in supporting the youth involved in 4-H and FFA with their show projects! Need advice on show feeds and supplements call us and we would love to help.

It's Fair Time

It's Show Season and County Fair Time!

By Sarah Swart

It's that time of year — livestock show season is in full swing and county fairs are starting up across the region! From the early morning grooming sessions to the proud moments in the show ring, our local youth and families have been putting in the work all year to get their animals ready for the big stage.

Whether it's market steers, breeding heifers, lambs, goats, or hogs, the dedication behind every exhibit is incredible. Hours of feeding, fitting, and training come together under the lights of the show barn, and there's nothing quite like the energy of a packed grandstand cheering on the next champion.

County fairs bring our communities together like nothing else — the midway, the food stands, the 4-H and FFA exhibits, and of course the livestock shows that showcase the next generation of agriculture. We're proud to support our local exhibitors and can't wait to see everyone at the fair this summer. Good luck to all our showmen — leave it all in the ring!

What's happening at The Country Store

Good Neighbor Days

New Employees

Bale Feeder Sale

Dairy Month

We have had a lot happening at The Country Store this spring and summer. We had a petting zoo for Howard Lake Good Neighbor Days. We participated in the city wide garage sale. We celebrated June Dairy month with specials on milk replacers and calf care products. July is the kick off to show season with specials on show feeds and products. You will also see some new faces at The Country Store!

The Country Store is excited to announce that Arianna Utne will be the new store manager! Sarah Swart will be filling the assistant manager position! Elise Quast will be stepping down as store manager and moving to our main office. We also have 4 new employees at the store: Ellie Swart, Caleb Vetsch, Stacy Sparkman and Ruthie Peterson. We are so excited for our growing team!
